

I'm helping Dick Gross with his campaign. I've discussed your email with him and respond on his behalf.

Dick is a highly qualified and experienced candidate, having previously served as a Port Phillip Councillor and Mayor. His Facebook page (<https://www.facebook.com/DickForCouncil/>) and website (<http://dickgross.com/>) contain detailed policies, which are regularly updated. I'd appreciate your forwarding these links to your members so they can see how he would promote the interests of Port Phillip residents if elected to Council again.

Thank-you.

Regards,
Denny Meadows
